- Dog Walkers :** **You MUST pick up your dog's mess if on the Mound.**  
**Your fellow villagers will be walking around up there in the dark!**
- Guests:** **Take your litter home. There are no bins or anyone to pick it up after you!**
- Toilets:** **There are no facilities available.**
- Mound Car Park:** **Please keep this little car park clear on the day for blue badge holders & elderly villagers to use.**  
**Access to and from the mound is needed at all times during the day for refreshment vans and the fireworks/beacon teams.**
- Safety:** **For your own safety, please wear sensible shoes, the mound can get wet and slippery.**  
**There are no lamp posts on the mound so you may wish to bring a torch!**  
**Stay BEHIND the ropes at all times as some of the explosions are going to be big, and I mean big!**
- Peter's Bridge:** **If you are unable to tackle the steep path to the Mound, an excellent viewing location is the new bridge. Please don't fall into the Medway or walk in the road if you chose this option!**
- Visitors to Halling:** **There are NO parking facilities in Halling, we have nowhere to park here ourselves! Please walk to the Mound, river front or Peter's Bridge.**

If you have any questions, please facebook Trudi Smith on Simply Halling or ring the Parish Clerk, Jenny Allen. HPC wishes you an enjoyable evening, but stay safe!
